Nor love, nor honor, wealth, nor power,  
Can give the heart a cheerful hour  
When wealth is lost. Be timely wise;  
Without it, all taste of pleasure flies.

The home was made more lovely with quantities of dried flowers, pink roses and pink roses, the bride's favorite flower. Before an impromptu altar, the simple and beautiful service was read, the bride, a petite and attractive girl, wearing a charming costume of blue silk and white satin combined, her flowers being pink rosebuds showing. She was white and delicate, a picture of the usual wedding conventionalities, and the realization of the sacredness of the moment made the scene most impressive. There were no attendants. ## MAN PAYS BIG PRICE TO EVADE STATE LAW

Jones Cantrell of Muskogee Learns That "The Way of the Transgressor Is Hard" Always.

### Spouse in The World.

MURKOGEE, Aug. 18.—Jones Cantrell has paid \$35,000 thus far to make good his boast that he would never serve his sentence in the county jail at Muskogee.

Cantrell, himself a "joker shark," a natural born crookshot, and a wizard at "21" was trimmed of more than \$20,000 in a \$10,000 poker game in Kansas City a few days ago. Thus far part of the price he is paying for his liberty.

In addition to this he has paid several thousand dollars in forfeited bonds and attorneys fees to retain his liberty. He forfeited a bond of \$1,000 when he failed to appear in the superior court here for sentence following the record-mandate of the criminal court of appeals affirming his sentence.

When he was finally arrested he employed attorneys at great ex-

pense to obtain from the governor a parole. The governor attempted to revoke the parole and again Cantrell paid out hundreds of dollars in attorney's fees but he was liberated.

When his parole expired, he forfeited another bond for his appearance and at the same time, the criminal court of appeals having sustained the judgment of the superior court in another case, his appearance bond in that case was forfeited.

He went to Texas and was arrested there. He made his escape and went to Kansas City. There he was arrested again and once more he employed attorneys, the former governor of the state, at a big expense, and again he made bond in the sum of \$1,000.

He was now waiting for the trial on the fugitive warrant in this case that Cantrell was trimmed by smoother sharks than himself. Now if he doesn't appear at the postponed trial on the fugitive warrant August 29, he'll forfeit another \$1,000.

Deputy Sheriff Jack Hedrick returned yesterday from Kansas City. He expected the bonding to be held

and Cantrell to be turned over to him. When Cantrell did not appear, however, the court continued the case two weeks, stating that it

had been continued three times for the state and he believed the man should be entitled to one continuance.

Want East and West Railroad.

PONCA CITY, Aug. 18.—Ponca City is working for an east and west railroad, one that will connect this city with the Garber and Billings fields southwest of here and with the Osage fields to the east. The matter was taken up at a chamber of commerce meeting last night and every effort will be made to secure a line. The extension from Ponca City through Ponca City would meet the requirements.
